

Dear Trainee,

Thank you for your interest in our Mountain Leader Award training courses which is offered as a 6 day course over two long weekends .

Split Training - Friday 21 to Sunday 23 April and Friday 28 to Sunday 30 April 2017.

Six day course 7-11 August.

[About the Mountain Leader training course](#)

This is a six-day training course providing tuition in all the main aspects of mountain walking in the UK.

To gain the Mountain Leader Award you must meet the Syllabus requirements and successfully complete an additional 5 day assessment.

The course is based in Pitlochry at the Town where we have access to meeting rooms and facilities. The course is largely practical and takes place on the hills however there are also a number of talks and discussion periods back at the Town Hall.

Every day on the hills is unique and offers its own challenges, we will try and find the best conditions and venues available each day as we cover the various aspects of the syllabus. The sample programme gives an example of how we anticipate running the course. The early evening discussions and reviews aim to finish by 6.45pm providing you with time to refuel and get ready for the next day.

Pitlochry is within easy access of a choice of venues, providing options throughout the week depending on prevailing conditions.

As a course provider we are approved by Mountain Training Scotland to run these courses and are regularly moderated as part of the quality management process.

All courses are offered on a self-catering / self drive basis (this means that there are 3 places in my transport and course members take turns to share transport, this keeps your costs down).

About the Mountain Leader Award

This award trains and assesses candidates in the skills required to lead hillwalking groups in summer conditions on mountainous routes in the UK not requiring the planned use of a rope.

Course pre requirements

- ❑ You should be reasonably fit, capable of ascending 1000m with an expedition rucksack and coping with typical mountain weather.
- ❑ Minimum 18 years of age and have 12 months mountain walking experience.
- ❑ Have an interest in leading groups.
- ❑ You must have **twenty** or more days hill walking experience, which is a requirement of Mountain Training UK for attendance on this course.

Expereince If you are unsure about your experience and would like some guidance, send me a copy of your log book experience or invite me into your Dlog when you apply for a place on the training course, or phone/email me if you would prefer. We will discuss your expereince during the course and advise on how much additional expereince you should gain between training and assessment.

Before attending the course you must make tow payments in this order

First

Become a member of Mountaineering Scotland (old MCoFS) or the British Mountaineering Council

Second.

register for the Mountain Leader Award with Mountain Training Scotland or one of the other home nation Mountain Training Board's

If you have followed these two steps you will now have a candidate number which I use to register you on the course.

Note. Mountaineering Scotland is a Council who represent hill goers to Government on issues such as access. Mountain Training Scotland manages the Mountain Leader Award.

Equipment - guidance on the items you will require during the course

During the course you will need your normal hill walking equipment including boots and waterproofs, rucksack warm clothing etc. If you have a helmet please bring it - if not we will supply.

In addition to your usual hillwalking equipment you will need these specific items.

- Ordnance Survey 1:50 000 Sheet 43 and OS 1:25 000 Explorer OL49 Pitlochry & Loch Tummel
- Wrist watch with a stop watch for timing navigation legs. **Mobile phone is not a practical or suitable alternative.**
- Maps suitably wet weather proofed. We recommend that you purchase an Ortlieb map case*. Either A4 or A5 size work well
- Compass. Silva Type 4 is recommended
- Head torch + spare batteries.
- Note book and pens. The best way to remember those Top Tips!
- If you have maps in addition to those listed above of the wider surrounding areas please bring them as they may be useful but don't buy them. The wider area would include OS 1:50 000 sheets 36, 42, 51, 52.
- For the two-day expedition you will require lightweight camping equipment, 60+ litre rucksack, light tent, stove etc. If you don't have access to lightweight camping equipment please phone and discuss your equipment need with us, we may be able to help.
- <http://dash4it.co.uk> are a reliable quick and cheap supplier of maps.

Additional equipment

For ropework day

Bring an old waterproof jacket and leather gloves (cheap gardening gloves are ideal) with you if you have them and your own helmet if you have one, for the Steep Ground day. Remember that rope abrasion can damage your good waterproofs and will damage skin!

For water hazards

Bring old boots or trainers for the water hazards session, this will save your best boots from getting saturated.

Accommodation in Pitlochry

For most folk the Pitlochry Youth Hostel works well and is well equipped with a modern kitchen and drying room. There is also the Backpackers Hotel opposite the JMT. All courses will begin at 9am on the first day so you may choose to arrive for this start time if you live within easy driving distance rather than the previous evening.

We suggest that you book accommodation as soon as you have confirmation of a place on the course. Booking accommodation is your responsibility.
